

# eRegistration Validation Process

## Guam Immigration Court

---

## INTRODUCTION

---

Welcome to the eRegistration validation process! Registering with EOIR electronically is an important step in order to represent aliens before the Immigration Courts and Board of Immigration Appeals. Attorney registration is an electronic process which will require the attorney or accredited representative to enter and maintain a profile of their information in order to receive an EOIR Identification number. It must be noted that the process is a unified process for the entire national system. Attorneys will register one time for all Immigration Courts, including the Board of Immigration Appeals; it is not particular to one court. This guide is designed to assist you throughout the Identification Validation process at the Guam Immigration Courtroom.

## IDENTIFICATION VALIDATION

---

Identification validation will begin at the Guam Immigration Courtroom on June 13, 2013. Completing the registration process requires that the attorney present a photo identification to DHS personnel. DHS personnel will review the photo identification presented by the attorney or accredited representative and forward this information to EOIR to complete the registration process.

**NOTE: LEGAL ASSISTANTS, LEGAL SECRETARIES, PARALEGALS, AND ANY OTHER PERSONNEL MAY NOT REGISTER IN THE ABSENCE OF THE ATTORNEY OR ACCREDITED REPRESENTATIVE. THE ATTORNEY OR ACCREDITED REPRESENTATIVE MUST APPEAR PERSONALLY TO THE COURT.**
